

FOOD PROCESSOR

TKCU-FP10L

STANDARD FEATURES

4 blades assembly

- ✓ The FP10L features a generous 10-liter capacity and a powerful 1500W motor, designed for commercial kitchens handling larger food volumes.
- ✓ Its 4-blade assembly efficiently processes even the toughest ingredients, from dense vegetables to meats, ensuring consistent quality at high output levels.
- ✓ Designed to cater to professional and commercial needs, the FP10L can handle bulk preparation, saving time and labor costs.
- ✓ Equipped with an easy-to-use control panel, including a safety emergency stop switch, the FP10L ensures both operational convenience and safety.
