

FOOD PROCESSOR

TKCU-FP7L

STANDARD FEATURES

4 blades assembly

- ✓ With its 7-liter capacity and a robust 1200W motor, the FP7L combines compactness and power, perfect for small to medium kitchens requiring efficient processing.
- ✓ The high-quality 4-blade assembly ensures uniform cutting, chopping, and mixing for both soft and hard ingredients, delivering consistent results every time.
- ✓ A clear bucket lid lets users monitor the processing without interrupting the workflow, ensuring precision and control.
- ✓ Designed to fit smaller workspaces without compromising on functionality, the FP7L is ideal for boutique culinary operations or home chefs.
