

# COUNTER TOP CHARCOAL GRILL

**TKOT-CG-978**

## STANDARD FEATURES

2 burners

- ✓ Utilizes lava rocks to retain and evenly distribute heat, ensuring consistent cooking temperatures and perfect searing capabilities.
- ✓ Features two independent burners, allowing for precise heat management and the ability to cook different foods at optimal temperatures simultaneously.
- ✓ Made from high-quality stainless steel for durability and resistance to rust and corrosion, ideal for busy commercial kitchens.
- ✓ The lava rocks impart a smoky flavor to grilled items, mimicking the taste of charcoal grilling but with the convenience of gas.
