

# COUNTER FLAT ELECTRIC GRILL

**TKOT-CTEG-600**

## STANDARD FEATURES

Chrome plated top

- ✓ Equipped with two independently controlled heating zones, allowing you to cook different foods at the perfect temperature simultaneously. Ideal for high-demand kitchens where efficiency and flexibility are essential.
- ✓ The 6 kW high-efficiency heating system ensures fast heat-up times and uniform temperature across the entire cooking surface, preventing hot spots and delivering consistently cooked food.
- ✓ Built with corrosion-resistant, food-grade stainless steel, this griddle is designed for durability, hygiene, and easy cleaning. The robust structure ensures long-lasting performance in professional kitchens.
- ✓ The polished cooking surface ensures even heat transfer and prevents food from sticking, making it perfect for cooking meats, vegetables, eggs, pancakes, and more. Its integrated grease drainage system helps remove excess oil, keeping the workspace clean.
- ✓ Features precise temperature control dials, built-in splash guards to protect against oil splatters, and non-slip feet for added stability. The removable grease tray allows for quick and hassle-free cleaning, making it an ideal choice for busy kitchens.
