

UPRIGHT REFRIGERATOR

TKSA-UR238

STANDARD FEATURES

Single glass door

- ✓ This fridge offers ample storage space with multiple adjustable shelves, allowing for customized organization. The spacious interior can accommodate a wide variety of products, making it ideal for commercial use.
- ✓ Equipped with an advanced cooling system, this fridge ensures rapid temperature recovery and consistent cooling throughout the unit. The reliable refrigeration technology keeps products at optimal temperatures for freshness.
- ✓ Featuring a double-glazed glass door, this fridge provides excellent insulation and energy efficiency. The transparent door enhances product visibility while maintaining internal temperatures, reducing the need for frequent door openings.
- ✓ The fridge comes with a built-in light box at the top, perfect for displaying branding and promotional materials. This feature enhances visibility and marketing, making it easier to attract customers' attention.
