

# UPRIGHT REFRIGERATOR

## TKSA-UR350

### STANDARD FEATURES

#### Single glass door

- ✓ This refrigerator features a spacious interior with multiple adjustable shelves, allowing for flexible storage configurations. The ample storage space accommodates a variety of items, making it ideal for commercial use.
- ✓ Equipped with a high-performance cooling system, this refrigerator ensures rapid and uniform cooling throughout the unit. The advanced refrigeration technology maintains consistent temperatures to keep items fresh and safe.
- ✓ The refrigerator is designed with a double-glazed glass door that provides excellent insulation while offering clear visibility of the stored contents. This feature enhances energy efficiency and product display.
- ✓ Built with high-quality materials, including a sturdy frame and corrosion-resistant components, this refrigerator is designed for durability and long-term use. The removable shelves and easy-to-clean surfaces simplify maintenance and ensure hygiene.
