

COMMERCIAL SILENT BLENDER

TKSH-SCB

STANDARD FEATURES

Polycarbonate cover

- ✓ Equipped with a sound-insulated cover, this blender operates at a noise level of ≤ 80 dB(A), making it ideal for use in cafés, bars, and hotels where maintaining a quiet environment is crucial.
- ✓ Featuring multiple speed settings (ranging from 9,000 to 18,000 RPM), the blender offers precise control for blending various ingredients, from soft to hard, ensuring perfect results every time.
- ✓ Powered by an 800W motor, the blender includes high-quality Italian-made ball bearings and stainless steel gears, ensuring smooth, efficient operation and long-lasting durability.
- ✓ The blender features a 1.25L break-resistant blender jug, perfect for smaller to medium batch preparations, while maintaining durability and reliability.
- ✓ The blender includes a temperature and overload indication system that alerts the user to motor risks such as overheating or overloading, ensuring long-lasting operation and user safety.
